*Acolothrips metaleucus* Hal., 42  
*Agabus aequalis* Sharp, 194  
     *ancillus* Fall, 136  
     *brevicollis* Lec., 128  
     *clypealis* Thom., 194  
     *confertus* Lec., 129  
     *dispositus* Guig., 194  
     *fossiger* Mots., 136  
     *griseipennis* Lec., 131  
     *hoppingi* n. sp., 135  
     *irregularis* Mann., 130  
     *lutosus lutosus* Lec., 131  
     *lutosus minus* n. subsp., 132  
     *morosus* Lec., 133  
     *nectris* n. sp., 133  
     New or Insufficiently Known  
     Nearctic Species and Subspecies of,  
     125  
     *obliteratus* Lec., 133  
     *obsoletus* Lec., 135  
     *pandurus* n. sp., 128  
     *parallelus* Lec., 126  
     *seriatus intersextus* Crotch,  
     n. comb., 126  
     *seriatus seriatus* Say, 126  
     *striatus* Aube, 126  
     *versimilis* Br., 129  
     *vandykei* n. sp., 129  
 ALEXANDER, CHARLES P., Article by, 206  
*Allotropa utilis* Mues., 118  
*Ancistrocerus catskillensis* Sauss., 13  
*Anelpistus americanus* Horn, 188  
     *canadensis* n. sp., 190  
     Horn, A Review of the Genus,  
     186  
*Anisota rubicunda sperryae* n. form, 116  
*Anomogyna elimata* Gn., 21  
     *perquiritata* Morr., 23  
*Anoncia diveni* Heinr., 17  
     *episcia* Wlshm., 18  
     *leucoritis* Meyr., 19  
     *longa* Meyr., 17  
     *marinensis* Keif., 18  
     *mentzeliae* n. sp., 18  
     *orites* Wlshm., 18  
     *sphaelina* Keif., 18  
     with one New Species, A Synopsis  
     of the Genus, 17  
*Anopheles punctipennis* Say, 20  
     *quadrifasciatus* Say, 20  
     *walkeri* Theo., 20  
 Ant Nesting Habits in North Dakota in  
 1941 Compared with Drouth Years, 61  
*Aphania capreana* Hbn., 70  
*Aphis abbreviata* Patch, 96  
 Apple Mealybug, *Phenacoccus aceris*  
 Signoret, and its Allies in North-  
 eastern America, The Canadian, 118  
*Arenophilus biquincticeps* Wood, 15  
*Argyrotaenia* from Spruce, A New, 57  
     *lutosana* Clem., 57  
     *occultana* n. sp., 57, 60
